

1512-VO ADA Lavatory Bowl

1512-VO-ADA

I.D.: 15 1/2" x 12 5/8"

Depth: 3 1/2"*

*Depth does not include counter top thickness

The 1512-VO-ADA lavatory bowl depth allows the vanity bowl to be placed as close to the front of the counter top as needed without compromising ADA conformance while providing a sleek look with uncompromised performance. The 1512-VO has an integral overflow with a smooth (non-corrugated) overflow tube for minimal trappage of germs and bacteria. Please specify VO for the overflow option. 1512-VO sinks are compatible and warranted when used with all major solid surface sheet brands (acrylic and polyester) with the same sheet warranties.

 Manufacturer supports conservation and green building practices and may contribute toward achieving LEED® building certification in commercial projects. All Sinks use resin containing 15% post-consumer recycled content and 5.5% rapidly renewable materials.

 Sinks proudly made in the USA.

Sinks are certified by:

NAHB (ANSI Z124.3)

UL in the US and Canada (ANSI Z124.3 & B45.0-99)
